### Knowledge Extension

Sometimes pollutants mix with water but we can't see them. Why is this a problem for plants and animals?

What are the steps you took to make your waterscape collage.

What is an aquatic plant that does not have true roots, stems, and leaves?

## Reflection

Draw a cartoon with ocean creatures. Show what they have to say to each other about humans and garbage.

## Edmo at Home

Make a list of ways you can save water at home. Ask the people at home if they have ideas to add to your list.
